Dear friends,

I am thankful to you for taking the initiative and writing to me. I have replied to some of the mails and appreciate the thought behind your initiative.

I am sure you must have joined forums like Friends of BJP. So also I urge all of you to participate in all the activities leading to make our nation prosperous and stronger.

In this context I believe in interaction and gathering inputs from all the stakeholders' i.e. we all – the citizens of India, to make better policies – citizen friendly policies.

The organization Centre for Development Research (CDR) may contact you for your inputs on issues facing us. I will appreciate your inputs to them, which will ultimately help in understanding issues.

I once again thank you for all the initiative, suggestions and support and look forward to keep interacting with you.

Warm regards,

Nitin Gadkari

National President BJP
